## TRAINING PARTNER AGREEMENT

This Training Partner Agreement is executed on 10<sup>th</sup> Day of March 2014, at New Delhi, between:

**Automotive Skills Development Council (ASDC)**, a society registered under the Societies Registration Act, 1860, having its registered office at **Core 4B, 5th floor, India Habitat Centre, Lodhi Road, New Delhi 110003**, which expressions shall include its subsidiaries, affiliates, associates, legal assigns and successors (herein after referred to as "ASDC").

And

**Indo-German Institute of Advanced Technology**, a society registered under the Societies Registration Act 2001(Act 35 of 2001), having its registered office at **#38-22-29, Industrial Estate, Kancharapalem, Visakhapatnam, Andhra Pradesh-530007** which expressions shall include its permitted assigns, associates and successors, (herein after referred to as "Training Partner")

**ASDC & Training Partner** are also referred individually as 'Party' and collectively as 'Parties'.

**AND WHEREAS** the Automotive Sector in India has been growing at CAGR of over 14% since the last decade and is expected to continue to grow at similar levels during the next decade. The economic liberalization coupled with technology, cost and manpower advantages as also the rising domestic demand have resulted in making India a choice destination for manufacturing automobiles and auto components for all global Automobile players.

**AND WHEREAS** the Automotive Industry, on account of its forward and backward integration, is a significant generator of employment, both direct and indirect, it is envisaged that there is a huge shortage of skills, both in terms of quantity and quality, essentially due to gaps in skill availability and skill requirements.

**AND WHEREAS** there is a need to train the youth in relevant skills so as to make them employable in the value chain across the Automotive Sector, where it is envisaged that the availability of skilled manpower is one of the major challenges to sustain the expected growth of the Automotive Industry in India.

**AND WHEREAS** **ASDC**, a skill development council for the Automotive Sector, prompted by the Society of Indian Automobile Manufacturers (SIAM), Automotive Component Manufacturers Association of India (ACMA) and Federation of Automobile Dealers Associations of India (FADA) and funded by the Government of India through National Skill Development Corporation (NSDC), is primarily engaged in the domain of skill development for the Automotive Sector, in the areas of conducting research related to skill development, developing training course curriculum & training modules, training the trainers, assessment and certification of trainers and students, in consultation with experts from the Automotive Industry and from Academics.

**AND WHEREAS** **ASDC** conducts skill trainings by leveraging existing training facilities and partnering with agencies that the facility, and experience in conducting such training programs.
