

“REC Foundation CSR Project – Establishment of 100 Smart Classrooms in Assam”

HOJAI:

Establishment of 100 Smart Classrooms in Government Schools of Assam

Supported by REC Foundation | Implemented by Indo German Institute of Advanced Technology (IGIAT)

The **Indo German Institute of Advanced Technology (IGIAT)** is implementing a Corporate Social Responsibility (CSR) project with the support of **REC Foundation** for the **establishment of 50 Smart Classrooms in Government Schools located in Hojai, Lanka and Dobaka in Assam.**

About the Project

The project aims to strengthen digital education infrastructure in government schools by establishing modern Smart Classrooms equipped with technology-enabled learning facilities.

The project is expected to benefit approximately **7,300 students across 50 Government Schools** in the identified locations.

Project Details

Particulars	Details
Project Name	Establishment of 50 Smart Classrooms in Hojai, Lanka and Dobaka
